

WHY DO OPA RESIDENTS SUPPORT THE RIDGELINE PLAN? We thought we'd let them speak for themselves.

"We want the donation of the Sully-Miller Arena, the new trails, the new Ride-In Only arena, and the constructions of homes on one-acre lots. This is the best use of this land and offers opportunity for every resident of this community."

Lynn Canton
Save the Arena and OPA Resident

"Speaking for my family and so many of my neighbors – **we love the reduction in traffic** we've already experienced with the closure of the golf course and are in favor of the further reductions we'll see once Ridgeline is built."

María Meyer, OPA Resident

"We support the construction of new homes in the community on one-acre lots and Ridgeline meets those criteria. **It's the best fit for our rural, equestrian community** and it's the reason why I'm voicing my support for the project."

Rose Ellen Cunningham, OPA Resident

"The free gift of the Sully Miller Equestrian Arena is something that the taxpayers of Orange Park Acres could not afford to buy on their own – it's free money. Bear in mind the old Woody Allen movie and **TAKE THE MONEY AND RUN!**"

Reed Royalty, President
OC Taxpayers Association

"The plan for Ridgeline retains the one-acre lots found throughout OPA and, when finished, will be much like Lazy Creek which is a delightful area and an asset to the community."

George Widly, OPA Resident

"The property owner has come up with **a plan that respects the community's historic intentions for this land** and respects the OPA community character and lifestyle."

Mike Winklepleck, OPA Resident

"We know that the Ridgeline property is going to change no matter what – so let's seal the deal to **save the Arena and keep the equestrian aspect alive in our community.**"

Connie Bowin, OPA Resident

"The plan for Ridgeline will finally open the property to the public for the first time by replacing the previous private, commercial land use with **recreational opportunities for equestrians and non-equestrians alike.**"

Raúl Morales, OPA Resident
